

Asia Communications and Photonics Conference (ACP 2026)

HOSTS  西湖大学 WESTLAKE UNIVERSITY  浙江大学 ZHEJIANG UNIVERSITY TECHNICAL SPONSORS  IEEE Photonics Society  OPTICA  SPIE  CIS  中国通信学会 CHINA INSTITUTE OF COMMUNICATIONS  中国电子学会 CHINESE SOCIETY OF ELECTRONICS  PCC Progress in Photonics and Communications

International Advisory Committee Chairs

Roland Ryf
Nokia Bell Labs, United States

Benjamin Eggleton
Sydney University, Australia

Min Qiu
Westlake University, China

Lena Wosinska
Chalmers University of Technology, Sweden

General Chairs

William Shieh
Westlake University, China

Daoxin Dai
Zhejiang University/
China Jiliang University, China

Yikai Su
Shanghai Jiao Tong University,
China

Plenary Speakers

Professor Sir David Payne
University of Southampton,
United Kingdom

Dr. Dennis Cai
Alibaba Cloud, United States

Dr. Glenn Parsons
Ericsson, Canada

Tracks

D-Track: Devices

- D1: Advanced Packaging, Interfacing, and System Integration
- D2: Integrated Photonic Circuits and Heterogeneous Platforms
- D3: Active Optoelectronic Devices
- D4: Passive Photonic Components Across Domains

N-Track: Networks

- N1: Network, System and Service Innovations
- N2: Photonics for Data Center and Computing Systems
- N3: Optical Network Architectures, Control and Management
- N4: Optical Access and Last-Mile Networks
- N5: Industry Perspectives and Network-Centric Technology Evolution (Invited Program Only)

T-Track: Transmission

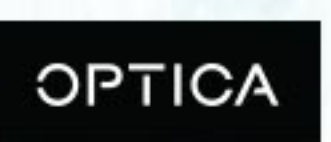

- T1: Short-Reach Transmission Systems for Data-Center, Access, and Mobile Networks
- T2: Optical Transmission Systems
- T3: Subsystems and Digital Signal Processing for Optical Communications
- T4: Free-Space Transmission and Communication Systems

NP-Track: Non-telecom Photonics

- NP1: Fiber-Based and Free-Space Sensing
- NP2: Microwave Photonic Devices and Systems
- NP3: Quantum Devices, Systems, Networking and Computing
- NP4: Materials, Nanofabrication, and Characterization Techniques

Conference Venue: Hangzhou International Expo Center

Located in Qianjiang Century City on the south bank of Qiantang River, Hangzhou International Expo Center (HIEC) covers a total floor area of 850,000 square meters. The venue is in a modern simplistic style and also reflects the unique vibe of regions south of the Yangtze River.
